

Seal River Watershed

Indigenous Protected Area Initiative

We envision a pristine watershed where people, animals and fish are healthy, our unique languages and cultures are thriving, and there is hope and abundance for all future generations.

BRIEFING NOTE

GOAL

Permanently protect the Seal River Watershed as an Indigenous Protected Area

SOCIO ECONOMIC BENEFITS

- Create sustainable jobs
- Reduce income support and justice costs
- Spur regional investment
- Reduce health care costs
- Stimulate entrepreneurship

78%

chose protecting the river & encouraging tourism.

6,403

LETTERS OF SUPPORT

sent to Premier Pallister & relevant Ministers

STRONG FEDERAL SUPPORT

\$3.2
MILLION

federal investment in the initiative to date

"I would like to congratulate the Sayisi Dene First Nation and their partners on their work towards the establishment of the Seal River Watershed Indigenous Protected and Conserved Area. By working with partners, on projects such as this one, we are making progress in protecting and enhancing biodiversity by conserving a quarter of Canada's land and a quarter of its oceans by 2025."

– The Honourable Jonathan Wilkinson, Minister of Environment and Climate Change
